## BEHIND ON YOUR WATER OR WASTEWATER BILLS? WHAT IS LIHWAP AND HOW CAN IT HELP?

All Californians deserve access to safe and clean water, and many households need assistance now. LIHWAP stands for the Low-Income Household Water Assistance Program, and it may be able to help you pay your water or wastewater utility bill.

LIHWAP is a federally funded program that offers low-income households a one-time payment to help pay outstanding bills for residential water or wastewater costs. In the wake of the COVID-19 pandemic, the federal government awarded California funding to help households struggling to afford the cost of water, and many Californians in need may qualify.

The amount of help you may get will depend on the past due balance of your household's residential water and wastewater bills. Households whose utility payments are included in their rent may also be eligible for LIHWAP. In addition, program participation is limited to households receiving services from water, and wastewater providers enrolled in LIHWAP to receive the payment of assistance benefits.

LIHWAP can offer a one-time payment to help you:

1. Pay your residential water and wastewater utility bills.
2. Manage an emergency or water crisis, such as a service disconnection.
3. Prevent other adverse effects such as debt collection or placement of liens.

If you are struggling to afford your residential water or wastewater bill, please visit [csd.ca.gov/waterbill](https://csd.ca.gov/waterbill) or call 866-675-6623 to see if you qualify for payment assistance through LIHWAP and to find a local service provider near you to apply.

Dear Customer,

Pay your past-due balance immediately to avoid the disconnection in service. Payment must be made before 10:00 a.m. on July 5, 2022. Payments can be made in the office, over the phone, or online. Payment arrangements must be submitted (subject to approval) no later than 12:00 p.m. on June 30, 2022. Please contact our office at (530)458-4941 with any questions or concerns. Thank you in advance for your immediate attention.

Sincerely,

City of Colusa Finance Department
