Spring 2024

CITY OF COLUSA PARKS, REC, & TREE COMMISSION, WITH THE
SUPPORT OF COLUSA ROTARY CLUB PRESENTS:

Trees for Tomorrow

The City of Colusa Parks, Recreation, and Tree Commission, with the support of the Colusa Rotary Club, is offering to purchase and plant trees for residents interested in planting trees in mow strips, increasing their property value, cleaning our air, cooling our community, and truly making Colusa a "City of Trees."

All you need to do is select your tree(s) of choice and promise to water and care for it so that future generations can enjoy it!

If you would like to plant a tree in the mow strip on your property, please fill out a Tree Planting request form, and we will work out a plan to make it happen. Preferred trees are featured on the other side of this printout.

You can find the tree planting request application and the City of Colusa Master Tree List online at www.cityofcolusa.com (Departments>Trees) or at City Hall, 425 Webster Street.

Completed applications for this program may be turned in to City Hall in person or emailed to citymanager@cityofcolusa.com. The \$25.00 fee for hole-digging applies to this program, and payments can be made in person at City Hall upon application approval.

Optional donation of \$25.00 per tree, to Colusa Rotary, is welcomed. You may send your check to:
Colusa Rotary Club, PO Box 205, Colusa, CA 95932.

Tree planting in March

Space for this program is limited to the first 15 applications received. Applications received after February 22nd will be considered for the next round of planting.
