Scarecrow Contest

In the heart of our vibrant community, businesses are coming alive with creativity as they transform ordinary scarecrows into whimsical works of art. The downtown is adorned with these charming sentinels, each bearing the unique essence of the

business. Take a walk downtown and see these imaginative scarecrows. It's a true community-building event where neighbors can connect and support the many fantastic businesses of Colusa. With each turn and corner, there's a new surprise, a fresh burst of laughter, and a sense of unity that only a tight-knit community can provide. This is more than just scarecrows; it's a testament to the power of shared experiences and the beauty of coming together as a community.
