Important Message From City of Colusa & Colusa Fire

Department

We would like to advise the residents of Colusa that we will be mitigating fire risk and exposure inside the City limits within the next 24 hours. We will be burning areas that pose a high fire threat to surrounding structures and vegetation. All precautions will be taken, and there is no need to be alarmed. These mitigations will take place during the times that will least affect air quality to our residents. Thank you for your understanding. If you have any questions, please contact David Avera at d.avera@colusafire.org

City Hall will be closed in observance of Memorial Day, Monday the 30th.

Regular hours will resume Tuesday the 31st.

City Hall Hours:
