Trees

Fall Trees for Tomorrow 2023

The City of Colusa Parks, Recreation, and Tree Commission, with the support and partnership of the Colusa Rotary Club, is opening the third round of FREE tree planting for residents interested in planting trees to increase their property value, clean our air, color our community, and truly make Colusa a "City of Trees."

All you need to do is select your tree(s) of choice and promise to water and care for it so that future generations can enjoy it!

Tree Planting for November

Space for this program is limited to the first **15** applications received. Applications may be turned in between **9/1 - 9/28**.

Applications received after **September 28** will be considered for the next round of planting.

To view the full flyer, Master Tree List, and Trees for Tomorrow Application, please visit www.cityofcolusa.com/Trees or visit City Hall for printed copies.

The [Social Studies Artist Residency](#) is designed to provide time and space for visiting artists to make work and explore their practice in the unfamiliar setting of the rural, small town of Arbuckle, CA. Through this, making time + making space, finding time + finding space, using time + using space, and taking time + taking space became the ethos of the spring/summer 2023 sessions.
