Dear Community Member,

The City of Colusa is revitalizing our Recreation Program with a focus on providing a wide variety of inclusive programs for both children and adults.

Programs were created based on the survey results from the 2021 Recreation Survey as well as what was logistically feasible. We're excited to jumpstart the 2021 summer and we hope that you are too!

If you think that a particular program is missing or would like to be a program leader for something new, please don't hesitate to reach out to us:
recreation@cityofcolusa.com.

In this guide, we've also tried to incorporate information from additional Colusa recreation organizations. Please look for that in the 'Other Organizations' section.

The City of Colusa is grateful for the generous support of businesses, community members, organizations and the City Council in making this summer possible.

Sincerely,
Jesse Cain
City Manager
