## IN CASE YOU MISSED IT

January was a steady and productive month for the City of Colusa as we eased into the new year. While there were no major policy changes or projects launched, City staff and leadership remained focused on keeping operations running smoothly and preparing for upcoming initiatives.

City departments continued working behind the scenes on long-term projects, ensuring progress on infrastructure, planning, and community development efforts. The new Mayor and Mayor Pro-Tem settled into their leadership roles, working closely with staff and fellow Council members to set the tone for a successful year ahead.

While the start of the year tends to be quieter, it also provides an opportunity for reflection and planning. The City is looking forward to an exciting 2025, with ongoing efforts to improve services, support economic growth, and enhance community engagement. We appreciate the continued involvement and support from residents as we work together to
