IN CASE YOU MISSED IT

In February 2025, the City of Colusa made significant strides in community development and infrastructure improvements.

The City Council and staff reviewed the mid-year budget, ensuring fiscal responsibility while aligning resources with community priorities. Public discussion on the highly anticipated pickleball courts moved forward, providing a new recreational opportunity for residents of all ages.

Additionally, the Trees for Tomorrow program wrapped up its application process, setting the stage for a vibrant spring 2025 planting season that will enhance Colusa's tree canopy and green spaces. These initiatives reflect the City's ongoing commitment to fostering a thriving, sustainable, and active community.
