IN CASE YOU MISSED IT

In March and April 2025, the City of Colusa advanced key priorities in housing, governance, and community life. The City Council approved financial reports, conducted a performance evaluation for the City Manager, and continued to support transparent operations. The Planning Commission moved forward with updates to zoning rules for ADUs and JADUs to help expand housing options. Plans for a new 49-home development on Highway 20 were also reviewed, with final discussion postponed to May.

The Colusa Recreation Department focused on planning upcoming programs and events to serve families and residents throughout the spring and summer. Meanwhile, the Colusa County Arts Council hosted a successful March Art Walk, celebrating local talent and creativity. Together, these efforts reflect Colusa's continued commitment to responsive leadership, thoughtful growth, and community vibrancy.
