**CITY OF COLUSA;
DEPARTMENT OF PUBLIC WORKS
PROJECT PLANS FOR:**

WATER WELL NO. 6A

IN

THE CITY OF COLUSA

will be received at the City of Colusa City Hall, 425 Webster St. Colusa, Ca 95932, until **2:00 PM on March 25th, 2025**, at which time they will be publicly opened and read.

Proposal forms for this work are included herein:

General work for this project consists of drilling a new well and installing a new well casing and screens, near existing Well No. 6 located at Memorial Park in the City of Colusa, and then moving the existing pump motor to the new well head, and connecting the existing VFD, flow meter and disinfection equipment, which will remain in the current building, and testing and development a new well that can produce up to 2000 gpm. As a bid additive alternative the City is also seeking to drill a 4" diameter test well on a separate parcel.

A mandatory pre-bid meeting is scheduled for March 11th, 2025 @ 2:00 pm at Colusa City Hall, 425 Webster St. Colusa, Ca 95932.

A preconstruction conference will be required for this project. The time and date will be determined after contract award.

Bids are required for the entire work described herein. All documents shall be submitted in the original Proposal and Contract book, or attached to the appropriate pages, to be considered a responsible bid. (Pages may be stapled in.)

The contractor shall possess either a Class A license or a combination of license classes required for all work at the time this contract is awarded.

This contract is subject to state contract nondiscrimination and compliance requirements pursuant to Government Code, Section 12990.

Plans and specifications for bidding of this project are obtainable at regional bid exchanges or electronically from the cities web site.

Please direct questions to the Project Manager, California Engineering Company, Inc., Yuba City, CA (530) 751-0952, attention David L. Swartz, PE, PLS – prefer email : swartz@cecusa.net

The successful bidder shall furnish a payment bond and a performance bond.

Pursuant to Section 1773 of the Labor Code, the general prevailing wage rates in the county, or counties, in which the work is to be done have been determined by the Director of the California Department of Industrial Relations. These wages are set forth in the General Prevailing Wage Rates for this project, available at the County of Colusa and available from the California Department of Industrial Relations' Internet web site at <http://www.dir.ca.gov>. The Federal minimum wage rates for this project as predetermined by the United States Secretary of Labor are set forth in the books issued for bidding purposes entitled "Proposal and Contract," and in copies of this book that may be examined at the offices described above where project plans, special provisions, and proposal forms may be seen. Addenda to modify the Federal minimum wage rates, if necessary, will be issued to holders of "Proposal and Contract" books. Future effective general prevailing wage rates which have been predetermined and are on file with the California Department of Industrial Relations are referenced but not printed in the general prevailing wage rates.

Attention is directed to the Federal minimum wage rate requirements in the books entitled "Proposal and Contract." If there is a difference between the minimum wage rates predetermined by the Secretary of Labor and the general prevailing wage rates determined by the Director of the California Department of Industrial Relations for similar classifications of labor, the Contractor and subcontractors shall pay not less than the higher wage rate. The Department will not accept lower State wage rates not specifically included in the Federal minimum wage determinations. This includes "helper" (or other classifications based on hours of experience) or any other classification not appearing in the Federal wage determinations. Where Federal wage determinations do not contain the State wage rate determination otherwise available for use by the Contractor and subcontractors, the Contractor and subcontractors shall pay not less than the Federal minimum wage rate which most closely approximates the duties of the employees in question.
